

## Candle-licious Wholesale Terms and Conditions

Revised June 2006

You are agreeing to:

1. Candle-licious candles will be sold in a retail environment.
2. Minimum order will always be \$200.
3. Coupons, discounts, and special offers (even if offered at checkout) are not valid on wholesale orders. If you add any coupons or special offers to a wholesale order, they will be ignored.
4. Orders are prepaid with a credit card (Visa, MasterCard, Discover), check (check will clear our acct before order is shipped), or money order. We do not offer open accounts, C.O.D.s, or billing terms.
5. We reserve the right to adjust shipping charges as necessary to cover our costs. We will notify you by phone or email if the shipping is more than your order confirmation. Typically when your shipment has to be packaged in more than one box, the shipping will be more than what is on your order confirmation. We ship UPS or USPS, your preference.
6. Resale tax number is required for our records.
7. All candles are individually hand-poured. As with any handcrafted product, slight variances (especially in color) may occur and are a natural part of the "handmade" process.
8. All products on our website are not available at wholesale. Your wholesale acct will receive one discount for candle products and another discount for accessories. And there are several items that do not have wholesale pricing, and other items that only have volume discount pricing (i.e., premium glass votive cups).
9. Retail price is any price your particular market or geographical area will bear. You may decide to charge more for the candles than what is listed on our retail website. After all, they are a premium handcrafted product, not readily available elsewhere, and we limit the resellers to one per large area. You will be our distributor in that area, and we can list you on our website as the place to go for our candles in your area.
10. If you need to picture a product take your own photo of it, do not use the photos from our website.
11. Wholesale candle products will bear the Candle-licious name and logo and contact information. We encourage our customers to purchase our candles through our retailers.
12. You provide the means to display the candles and accessories. We have kraft-colored display boxes for votives, \$1.00 each upon request. We also have kraft-colored gift boxes for the jar candles that can be ordered for \$.75 each. Neither of these items are in the shopping cart system but can be requested in the "comments" section at checkout.
13. Wholesale prices are based on discounts off of our retail prices. Our retail prices are subject to change without notice to you.
14. Wholesale accts not active for 12 months will be deleted and the area will be awarded to the next vendor on our list.
15. Check this agreement periodically for updates and changes. This agreement may be amended at any time by us from time to time without specific notice to you. The latest agreement will be posted on the site, and you should review this agreement prior to using the site.
